

Penn Celebrates Distinguished Female Leaders

Philadelphia, PA, USA, February 12, 2008- The Women in Leadership Series (WILS), a student group at the University of Pennsylvania, is pleased to present WILith Fair 2008, an evening in celebration of Penn's outstanding female leadership and their 10th anniversary. The event will take place on February 21, 2008 at 6pm in Houston Hall's Hall of Flags with a delicious reception to follow.

WILS seeks to provide a forum for members of the Penn community to promote female leadership. With that purpose in mind, WILith Fair is designed to honor and recognize Penn's female leadership, both in the administration and on-campus.

The event will bring together influential Penn women like no other event on campus has previously done and will feature performances by PENNaach, Quaker Notes, and Excelano. Guests will also have the opportunity to mingle with female leaders from the administration, faculty, alumnae and student body.
