1969 Class Gift:
The climate-enhancing roof gardens on the 6th floor of the Van Pelt-Dietrich Library
Dear Class of 1969,
Your class representatives are hard at work planning events that will entertain, inform, and delight your senses. You will enjoy seeing our Green Spaces Class Gift - the climate-enhancing roof gardens on the 6th floor of the Van Pelt-Dietrich Library with its wonderful, bird’s-eye view of the Penn campus and the Philadelphia skyline. We’d love to see you at our 45th Class of 1969 Reunion! Come back to Penn! Show your Penn pride and support our class gift!

Let’s share old memories and make new ones. Mark your calendars for May 16-19.
