Dear Class of 1978,

Let's make plans to meet!

Homecoming

Fall is here, the leaves are turning, and the crop is as perfect for Penn football as for Penn football. Join us as we get our football season started.

Penn Basketball First to Donメニュー
At 3 p.m., October 29th, the Penn basketball alumni, you and us, will be converging on the Palestra as we get our first official basketball season underway. That's right, we're bringing back the former Women's coach of first generation, the legendary Muriel Petrides. And let's not forget that Penn's Win in the All-Blue Basketball Game is in the undertaking of this first annual event. The first man to make the winning Wilt's will be wearing a special Penn Basketball hat. The hat is yours for life. We'll see you there!

Class of 1979 Dinner and a Speaker

We've already started planning for our Class of 1979 getting together for dinner and a speaker. We'll look for an early date later this fall. More information will be available in the next few weeks.

Engaging Minds

Now that you've graduated, you're probably thinking about what to do next. We've got some ideas for you. Here are a few possibilities:

- Join a community service group
- Volunteer at a local hospital
- Attend a conference on an interesting topic
- Write a book
- Start a business
- Teach at a local university

We hope you enjoy doing the things you love and that you find happiness in your endeavors.
