“...thank you for providing me with the funds I needed to come to the University of Pennsylvania”

The Class of 1969 Scholarship Fund enables our classmate donors to experience firsthand the joy of making a Penn education possible for deserving – and very grateful – young men and women.

Thank you, classmates, for giving back to Penn. Because of your generosity in contributing to our class scholarship fund as part of our reunion gift, we are able to contribute to the tuition for Jordan Pearson and Sara Ramirez. You have made them so very happy.
