

Classmates

It has been 50 years since we attended Homecoming 1968 to cheer on the Red and Blue! Since that special time, each of us has experienced some serious life challenges. As we get older, we get it—life is about much more than personal achievements, it is about family and friends. While our perspectives on what matters in life may change, our Penn friendships stay intact. In many cases, our Quaker classmates go decades without seeing each other. We give you one promise – Friends you knew then will know you now. Travel back to **Penn for Homecoming 2018** and join us to picnic On the Green before the Penn-Harvard game on **Saturday, November 10th**. It will be a day you will cherish.

Purchase the Quaker Red or Blue Pass (includes admission to the game) to attend. There will be reserved tables for the Class of 1969, celebrating the 50th Reunion in 2019!
